

Year 5 Autumn 2 2017

The Americas

1. English

Create an information fact file poster on a South American country of your choice.

Include:

- 1) The capital city
- 2) Population of country
- 3) What language do they speak?
- 4) What is their currency?
- 5) a picture of the countries flag
- 6) name of the countries president/ prime minister
- 7) The countries National Animal

2. HISTORY

Create a poster about the Inca Civilisation.

Make sure to include these things in your poster.

- 1) The different people that made the Inca Civilisation
- 2) The types of clothing that people wore
- 3) The religions that people believed in the Inca Civilisation
- 4) What kind of food was grown

3. ART & DESIGN

Create your own artwork like Carlos Paez Vilaro. You can use pen or

6. BRITISH VALUES

Create a mind map about respect. Decorate it with colours and patterns. Include: how people can show respect and why respect is important.

7. ART

Create a flag of a South American country of your choice. Use any materials you can to make the flag. This can include anything you can find at home to make the flag, such as: newspaper, cardboard tube, tissue paper.

4. HISTORY

Research the history of chocolate (Aztecs). You can present the information different ways, such as a PowerPoint, a video or a brochure.

5. SCIENCE

Create your own experiment at home about changes of states. These could include melting, freezing or dissolving
Possible ideas: How quickly does icecream melt? Does juice freeze as quickly as water?

ENGLISH

9. Plan a bike adventure like in our class text 'The Boy Who Biked Around the World'
Include: Where will you travel? What will you see?
What will you eat on your journey?
What

8. GEOGRAPHY

Create your own model of the Amazon Rainforest.

You can use tissue paper and a shoebox. Think about the animals found in the rainforest and the rivers.

10. FREESTYLE

Pick something that interests you about South America and your own activity.
