

1. SCIENCE

Create an information poster on a famous American scientist, for example Neil deGrasse Tyson. What area of science does your chosen scientist work in? Have they made any discoveries? Where did they grow up? Where do they work now?

2. HISTORY

Create a table listing American presidents with the years they were in office. Include at least 10 presidents.

President	Years in office
Woodrow Wilson	1913—1921
Warren G Harding	1921—1923

3. DESIGN

Design your own Hollywood star with what you earned it for.

10. FREESTYLE

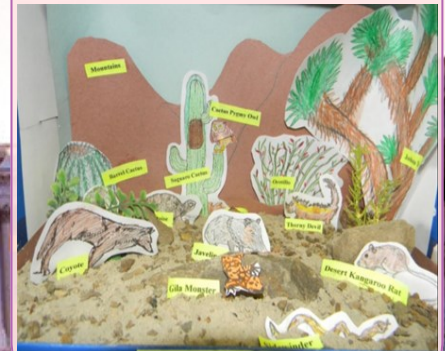

Choose something that interests you about North America and pick your own way to show your learning.

9. SCIENCE

Create your own experiment and write up the results! You could test how far different paper aeroplanes fly or record how many people cycle, walk or drive down your road over 15 minutes of a day.

8. GEOGRAPHY

Create your own 3D biome model of a state using a shoebox. What is the climate in that state?

Year 5 Autumn 1 2017

The Americas

Choose one activity to complete each week and hand in to Ms Sherratt **Wednesday morning**. You should complete at least 6 activities but you can do more!

5. COOKING

Make an American dish e.g. American style pancakes, apple pie, cinnamon buns, cornbread. This website can help www.bbcgoodfood.com/recipes/collection/american

4. HISTORY

Research an aspect of Benjamin Franklin's life to present to the class. For example his writing, his time living in London, his work as a scientist or postmaster.

6. BRITISH VALUES

Write your own version of the American constitution. Which rules and laws do you think there should be? Are your laws fair?

7. ART

Create a junk model of a famous American monument, for example: the Statue of Liberty or the Lincoln Memorial. It can be made out of anything you can find e.g. milk carton, newspaper, cardboard tube.
