

1. Craft
Make your own spaceship.

Choose 1 activity to complete each week and hand in to your class teacher as normal on a Wednesday morning. You should complete at least 5 activities, but you may do more if you wish!

2. Research
Research facts about space or what it is like to be an astronaut.

3. Music
Make up and write your own song about space.

4. Create
Make a mini model of the solar system.

5. Mobile
Make a space mobile.

6. Craft
Build your own snow globe.

7. Research
Find out about Neil Armstrong's mission to the moon and write a fact file about it

8. Bake
Bake biscuits that are in shapes relating to space e.g. stars, rockets, planets

9. Diary
Imagine you are the first person to land on Mars. Write a diary entry about see/say/do.

10. Design
Draw your own alien and write a character profile about them.

Year 1 Homework Spring 1 2017
