

Y4 Homework Spring 2 2018

Choose one activity to complete each week and hand in to your class teacher as normal on a Wednesday morning. You should complete 5 activities, but you may do more if you wish!

1. Top 5

Research and list the 5 highest Mountains in the World.

2. Where in the World

Create a poster to show where some of the most famous mountains are in the world. Ask your teacher for a map of the world to help you.

3. River Thames

Find out some facts about the river: Where does it begin? How long is it? How many bridges cross it?

4. Artists

Research the style of an Artist who is famous for their landscape work. Try to recreate a piece of their work.

12. Free Choice

Create your own project on our topic!

11. Landscape art

Draw the landscape from outside your window. Try and use the techniques used by Monet.

10. Life on a Mountain

Create a fact file to show how life is different to people living in Mountainous areas compared to where you live. What is the same? What is different?

9. Paper Mache

Use this technique to create your own mountain.

8. Free verse poem

Write a poem to show how a river is formed. Write it in the first person so it sounds like you really are a river being formed.

7. Easter

Retell the Easter story in a creative way: create your own picture book, write a newspaper report.

5. The Water Cycle

Create a model of the water cycle. Make sure you label it with how it works.

6. How are rivers formed?

Create a poster to show how a river is formed. Include keys words and definitions.
