

WE LOVE LONDON!!!

(TOPIC Y3 Spring 2 2018)

English

- Reading Malorie Blackman's 'Cloud Busting'
- Writing stories in the style of poetry
- Learning how to gather research and write biographies for famous people who grew up in Lambeth

Maths

- Learning how to measure the length of different shapes and objects
- Working out the perimeter of different shapes
- Fractions - learning about tenths and how to work out tenths of a number.

Science

- Learning about different animals structures
- Understanding what different animals eat
- Looking at different animals habitats and how this affects their diet

History

- Learning the history behind 'Electric Avenue'
- Researching and learning about the spy Violet Szabo's life
- Looking at the history of Brixton and its multiculturalism

Geography

- Creating routes by looking at maps of the local area
- Learning about Lambeth and its surrounding boroughs
- Comparing the weather of London to another part of the UK

Art and DT

- Learning about the street artist Banksy
- Going on a local street art walk to see the different types of art on offer
- Designing and creating our own graffiti in the school playground (thinking about what colours complement each other)

Religious Education

- Reading the Easter story and discussing why Easter is so important to Christians
- Thinking about what Jesus sacrificed for his people
- Talking about what makes a good Christian and how we can make changes in our life to become better people

Computing

- Carrying on learning about E-safety
- Using scratch to make animated videos

Foreign Languages

- Learning how to say when our birthday is in French
- Recapping on what we've learnt so far this year
