Dear Parents/Carers,

OFSTED INSPECTION JANUARY 2019

I have pleasure in sharing our most recent inspection report with you. As you can see, we remain a GOOD school, but this time with many OUTSTANDING features.

I am particularly proud that the inspectors recognised all that we do to promote the personal development and welfare of our pupils. They have reported on the calm and purposeful learning environment at our school and they were very impressed by the excellent behaviour of our children.

May I take this opportunity to thank you all for your continued support and dedication to our school. St. Andrew's truly is a happy place to be and this was made evident to the inspectors during their visit. As such their report is a very good reflection of their findings.

We are all proud to be part of the St. Andrew's family.

Yours sincerely,

Jayne Mitchell
Executive Headteacher
