## Please Get Your Child to School on Time

The new school year has just begun, so it is sad and disappointing to see so many children arriving late to school each morning.

We would kindly like to remind parents and carers of their responsibility to ensure that their child/ren arrive at school on time, every day—ready to learn.

- ◆ If your child walks to school on their own, why not make them leave the house 10 minutes earlier
- ◆ If your child takes their time getting dressed or eating breakfast in the morning, try waking them up just that little bit earlier.

You know your home set up better than we do, so we are sure that you can come up with strategies of your own, to improve your child's timekeeping.

**Next week, the school will be closely monitoring late arrivals at school. Those children who are persistently late will be referred to the Lambeth Educational Welfare Service.**

**Please remember that school starts at 8.55 am for every child at St Andrew's.**
