## Our International Evenings are really special!

At St Andrew's we like to celebrate our rich and diverse community through our popular International Evening. This vibrant event, which is held in the school hall is an ideal chance for families from different backgrounds, to come together and enjoy a food and entertainment from all around the world.

Families are asked to bring a dish of food from their home culture and will receive in return a ticket to the international buffet!

So please come dressed in your national costume to this heart-warming event for food, fun, music, dancing and much, much more.

If you know of anyone who would like to perform at the event (sorry, we can't pay them), please let us know.

All families are welcome.
