# Number Day 2022

Friday 4th February

Number Day is a great way to make maths fun and bring about a positive, 'can-do' attitude! On this day we will be having lots of maths and number fun at school. We will also be taking part in Dress up for Digits and pupils will be invited to wear an item of clothing with a number on it (football shirt, cap, netball shirt or even a calculator! Please see below for some more inspiration). To help raise money for the NSPCC, we are asking for a suggested donation of £1, and we'd love everyone in the school to take part in this special event.

Please keep an eye out for the homework in your child's book bag and thanks for your co-operation!

## Adventure Workshops for Toddlers and Dads

**Tiny Titans is offering Saturday morning interactive workshops aimed at Dads (or uncles/grandads/brothers) and their toddlers (1-3 years) to have fun, bond and explore together!**

Each 30 minute class is taught by a musically trained actor, The Adventurer, that will lead parents and toddlers around the Tiny Titans compass and through into imaginary lands. Each session will incorporate nature, music, story time, craft, a few tiny challenges and lots of fun!
