

PSHE

VISION

We believe that PSHE helps to give pupils the knowledge, skills and understanding they need to lead confident, healthy, independent lives, in order to become informed, active and responsible citizens. Through our PSHE curriculum our pupils will:

- develop spiritually, morally, socially and culturally
- develop self-confidence and self-responsibility
- value themselves and others
- acknowledge and appreciate difference and diversity
- be independent, responsible and active members of the school and local community
- learn to make informed choices
- be prepared to be positive and active members of a democratic society
- understand what constitutes a safe and healthy lifestyle
- develop the ability to form good relationships
- understand and manage their emotions
- have opportunities to consider issues which may affect their own lives and/or the lives of others

How do we plan and teach PSHE?

We follow the Jigsaw scheme of work for PSHE which brings together PSHE Education, emotional literacy, social skills, citizenship and spiritual development in a comprehensive scheme of learning. Teaching strategies are varied and are mindful of preferred learning styles and the need for differentiation. There are six Puzzles in Jigsaw that are designed to progress in sequence from September to July and each Puzzle has six Pieces (lessons). Each Piece has two learning intentions; one is based on specific PSHE learning and one is based on emotional literacy and social skills. The enhancements mean that Jigsaw is relevant to children living in today's world as it helps them understand and be equipped to cope with issues like body image, cyber and homophobic bullying, and internet safety. Jigsaw is designed as a whole school approach, with all year groups working on the same theme (Puzzle) at the same time. Each Puzzle is launched at the beginning of every half term with an introductory whole school assembly.

How do we evaluate learning in PSHE?

Each Puzzle works towards an 'end product', for example, the School Learning Charter or the Garden of Dreams and Goals which teachers use as assessment. Children are also given the opportunity to assess their learning. The impact of our PSHE curriculum is also evident in the confidence our children demonstrate when expressing their feelings and managing their friendships, how they engage with their community and their care for others and the choices they make to keep themselves safe and healthy.

PSHE Curriculum Map

PUZZLE	Autumn 1	Autumn 2	Spring 1	Spring 2	Summer 1	Summer 2
	Being Me in My World	Celebrating Difference	Dreams and Goals	Healthy Me	Relationships	Changing Me
