Sportsday 2022

Glorious weather and another fantastic Sports Day.

Children, staff and parents all had a fabulous time.

Sadly, our photographer should have gone to Specsavers. We apologise for the quality of the photos.

Why is reading so important for a child?
It leads to their future academic success.
 A child must be able to read in order to even progress through school. Reading is essential to following the instructions on the test and being able to even understand or answer the questions.

It is important to arrive on time for school.

We are closely monitoring the late arrival and collection of children at school.

Unfortunately 26 children were late for school on Thursday and a similar number were late this morning.

This has a very disruptive affect on the beginning of each day and often embarrasses and upsets the children who are late.

Parents are reminded that it is your responsibility to ensure that your child/ren arrive at school on time.
