# 'Get rid of and donate'

Global warming has become a worldwide issue, remedial solutions are in place to make changes and practices in how we reduce waste.

London local authorities have developed their Reduction and Recycling Plans (RRPs) setting out key actions to combat waste management.

Get Rid of and Donate supports all efforts and believes many of the good items that go to landfill can be recycled and reused. Items that are in good/working condition can help people through the cost of living crisis, reduce financial impacts by giving access to pre-loved unwanted items and prevent waste to landfill.

Get Rid of and Donate collect items and redistribute them through their community hubs accessible to all people and families

**Declutter,  
Recycle &  
Save Landfill**

# Get it Sorted!

Spring Cleaning? Rummage through your drawers and cupboards this Easter and do your bit for the environment by donating your unwanted goods, instead of sending them to landfill.

We have arranged for a collection van to come to school on **Friday 5th May at 3.30 pm.**

Please *don't* bring donations to school until the date shown above.

Pop the date in your diary and we will send you a reminder nearer the time.
