Who knew that numbers could be such fun?

Number Day 2024

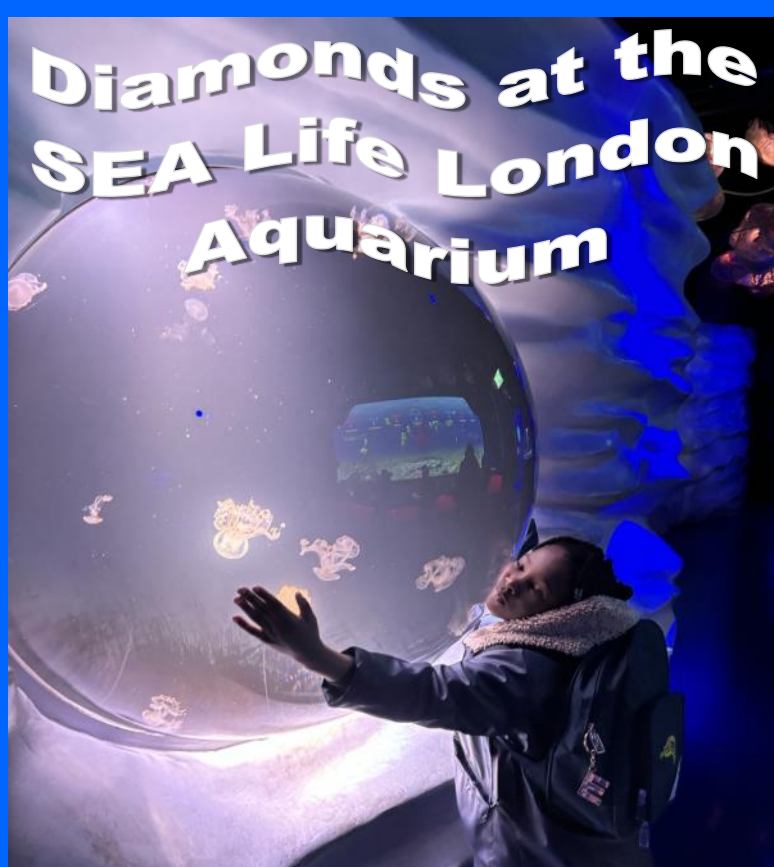

Who new that maths could be fun! We did because we always have great fun on Number Day. Every child in every class took part in lots of maths based activities.

Many of the children made brilliant maths themed outfits and showed them off at school.

We would like to thank all the children (and parents) who helped their child get involved.

Diamonds at the SEA Life London Aquarium

On Wednesday, Y2 (Diamond Class) went to the Sea Life London Aquarium.

They had a lovely time exploring the Aquarium and learning how sea animals adapt to their habitats.

We think the Diamonds are trying to scare off Polar Bears!

If we could speak to the animals...*just imagine it!*

Well behaved on the tube.

No animals were injured during the taking of this photo.

Eye Spy, with my little eye...
