Have Your Say Today!

Do you live or work in the new Stockwell Gardens LTN!

If so, we would love to hear from you!

Low Traffic Neighbourhoods make it safer and easier to walk, wheel, scoot and cycle by preventing motor vehicles from using residential streets as through roads. By supporting and encouraging active travel, we are making our community greener, safer and healthier.

Please note, the LTN has not yet been designed.

Your Voice Matters. This is an opportunity to share your local expertise and help us identify issues and opportunities unique to your neighbourhood that will help inform the LTN design.

You can provide your feedback directly to the Community Street Design Officers by:

Commenting on the Stockwell Gardens online map -

<https://stockwellgardensltm.commonplace.is/map/tell-us-about-your-neighbourhood>

Emailing the LTN team – lowtrafficneighbourhoods@lambeth.gov.uk (mention 'Stockwell Gardens LTN' in the subject line)

Please provide your feedback by 19th March, 2024.

For the latest news and updates, including upcoming events within the Stockwell Gardens LTN please subscribe to the commonplace page - [Have Your Say Today - Stockwell Gardens LTN - Commonplace](#)

We appreciate your time and contributions.

The Low Traffic Neighbourhood Team

Please remember that your feedback about the LTN is crucial if they you want your voice to be heard.
