HAF SUMMER

Lambeth's Holiday Activities & Food

Dear Parent/Carer

I'm delighted to let you know that this summer Lambeth Council will be hosting our Holiday Activities and Food Programme.

We are partnering with local holiday club providers across the borough to provide an exciting programme of meals and activities for children and young people in our local communities. Free places are available for children between the ages of 4 and 16 years, who are eligible for benefits-related school meals.

The programme will run from **Monday 28 July to Friday 29 August 2025** and is designed to give local families on benefits-related free school meals access to free, healthy food and fun activities over the summer holidays. Each programme will provide:

- Free, healthy, and tasty food
- Fun physical activity sessions
- A wide range of other activities to suit different ages and personalities
- Opportunities to learn more about food and nutrition for children and families

This year we are introducing a new way to book with providers. We are using a booking system called Eequ. You will be able to book up to 16 sessions per eligible child, with all 60+ providers in Lambeth, from Friday 27 June at 8am. You are able to visit the platform from today and register your interest in activities, but the full range of activities on offer may not be available until 27th June at 8am.

To find out more scan the QR code or visit the web address below. I hope your family can take full advantage of the summer programme.

If you'd like to learn more about what Lambeth Council has on offer to support with the increased cost of living, such as food vouchers, free childcare and access to pre-loved school uniform, visit www.lambeth.gov.uk/costofliving.

Yours faithfully,

Councillor Ben Kind – Cabinet Member for Children, Families and Education
