"Success is no accident. It is hard work, perseverance, learning, studying, sacrifice and most of all, love of what you are doing."

This week was Child Mental Health Week.

We started our week with an assembly, which explained to the children, what the term mental health really means.

The assembly was lead by one of our Pupil Wellbeing Ambassadors.

The children learned how to recognise poor mental health amongst their peers and ways in which they can help support each other.

This year the theme is of the week "This is My place".

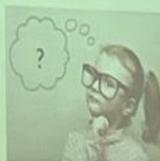

The focus is on creating inclusive and nurturing environments, providing counselling and strengthening community support.

The aim is to empower children to navigate challenges and help them feel connected to others.

What is Mental Health?

- Think of mental health similarly to physical health
- Just like our bodies need to be healthy, our minds need to be healthy too!
- Mental health is about how we feel and think.
- The word mental health doesn't mean that something is wrong
- Someone's mental health can be good or poor

A Gentle Reminder

Parents and Carers are kindly reminded that at St Andrew's the school day starts at **8.55** and not 9.00 am.

Please also note that the school pupil entrance is located on **Lingham Street**. All pupils are required to enter school using this gate at the start and end of the school day. This gate closes at 9.05 in the morning and 15.40 in the afternoon.

The gate on **Grantham Road** is only to be used for entry to **Breakfast Club** or exit from **Afterschool club**.

The gate on **Kay Road** is the entrance to the **staff car park** and is also used by visitors on school business. Please do not use this gate to bypass School Streets. Children should only use this gate if they are legitimately late after 9.05 am.
