Miss Spring is Leaving us...

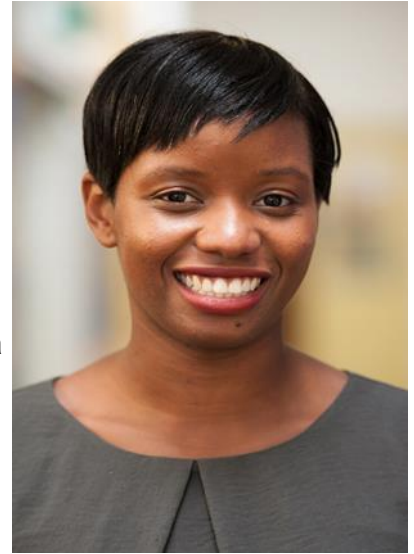

(but not to worry...like the Terminator...she will be back!)

We are incredibly proud to share some wonderful news. Miss Spring has been asked to undertake a special secondment for the upcoming Autumn term, where she will be working closely with a new headteacher to support another school in Croydon.

This is a fantastic professional opportunity for Miss Spring to gain valuable experience in a new school environment, while also sharing the excellent teaching practices we value so highly here at St. Andrew's with colleagues in another borough.

Please note: Miss Spring is not leaving St. Andrew's permanently. This is a temporary secondment strictly for the Autumn term, and we look forward to welcoming her back to her regular role after the Christmas break.

Please join us in congratulating Miss Spring on this well-deserved recognition and wishing her the very best of luck for the term ahead.

We welcomed the AmariRae FDN to school yesterday. The Foundation believe in the power of community, creativity and education combined, to inspire young people and build emotional resilience.

Our children took part in a workshop 'Dream Big', where in small groups, they shared dreams for the future. In another exercise, they recorded their strengths, dreams, and ways to achieve their goals. Pupils discussed what skills that might be needed to succeed in certain professions.
