Great News!

St. Andrew's Retains IQM Flagship Status

We are excited to share some wonderful news - once again, St. Andrew's has been officially awarded the prestigious Inclusion Quality Mark (IQM) Flagship Status

This is a massive achievement that reflects the heart and soul of our school, and we couldn't be prouder. The Inclusion Quality Mark is a nationally recognised award that honours schools demonstrating an outstanding commitment to exceptional inclusive practice. Achieving Flagship Status is the highest possible tier of this award and it is only given to a very select group of schools.

We are delighted to share this quote from the official report:

"St Andrew's is continually developing its excellent practice on inclusion. The school's commitment to academic, physical and emotional success underpins every decision and action within the school. Through strategic planning, targeted interventions and a strong value-driven culture, St Andrew's continues to strive for excellence and aims to provide every child with the opportunity to succeed in all areas of their development." - IQM June 2026

An achievement like this doesn't happen by accident. It takes immense dedication, passion, and hard work from our school team. A massive thank you must go out to them and also to our wonderful families for your ongoing support. Together we will continue to make St. Andrew's a place where every child can reach for the stars!
