Kindness

Our Harvest Festival

Little and Large—Year 6 children accompanied Reception Class to church yesterday. It was lovely to see how protective Y6 were of their little charges.

Harvest Festival Service is always a joy and this year was no exception. The children gave thanks and praise in true St Andrew's fashion.

Thank You parents and carers, for your kindness and generosity. Your gifts will be donated to the Brixton Food Bank.

Very Well Done Layina

Ms Sue would like to take this opportunity to recognise Layina's outstanding attendance throughout her entire primary school years.

Layina attended school every day for 7 years. Apologies to Layina that this was not presented to her on her last day of school in July.

Keep up the good work Layina!

Lining Up

From Monday, at 3.30 pm, children will be dismissed from the exact spot they line up in during the morning.

Please do not call your child from the line but do allow them to be dismissed by their class teacher.

This term, our whole-school project is celebrating the vibrant history, contemporary culture, and global impact of Black artists, innovators, and storytellers. We are asking children and families to create a piece of art, a 3D model, or a project that explores these brilliant perspectives. There are some fresh ideas here, but it's completely over to you!

There will be prizes for the most imaginative projects!

Project Due Date: Monday 12th October 2026

With Black History Month just a couple of weeks away, we are getting ready for another wonderful celebration here at St Andrew's! Our Family Learning Project this term, is themed around *"The Living Canvas: Black Voices, Shapes & Stories."*

While our whole-school focus this year is celebrating Black artists, storytellers, and innovators, please feel free to interpret the project however you like—anything goes! We know how wonderfully creative our St Andrew's families are, whether you choose to make a piece of art, a 3D model, write poetry, or put together a research project. Our main goal is simply to showcase your talents and celebrate together.

We can't wait to see what you create!

Project Due Date: Monday, 12th October 2026

Black History Month

This morning—to kick-start our Black History Month, we had a visit from author Shukurat Asare.

Our author shared her creative journey, speaking about writing, drawing and crafting.

She then sent the children on a virtual tour of Brixton market using the five senses to imagine poetic rhymes.

Finally, she finished by reading the fantastic story, 'My Rice is Best'.
